## PROFILE

"Aspiring Information Technology Engineering Student with hands-on experience in web development, specializing in HTML5, CSS3, JavaScript, and ReactJS. Proficient in core programming languages like C, C++ and skilled in building responsive, user-friendly applications. I bring a collaborative mindset, problem-solving abilities, and a strong commitment to continuous learning."

## WORK EXPERIENCE

**Summer Internship - Oasis Infobyte**                                                     **May 2024 - June 2024**

- During my summer internship at Oasis Infobyte, I gained hands-on experience in web development, enhancing technical and problem-solving skills. I worked on projects using HTML, CSS, and JavaScript, improving my understanding of front-end development and professional skills.
